@mainideama

1.) LANDSCAPE

- CHOOSE A TRIADIC PALETTE
- COMPLETE THE SKY USING SCRIBBLING AND SMUDGING
- FINISH REST WITH STIPPLING

2.) SEASCAPE

- COMPLEMENTARY
- "TICK" MARKS
- PARALLEL MARKS

3.) PORTRAIT

- WARM or COOL
- PARALLEL / SMUDGE / SCRIBBLE

@mainideama

1. Find a common, easily recognizable object:

FOOD

GAMES

CLOTHES

ELECTRONICS

2. Choose 1 type of color palette:

- Complementary, Analogous, Triadic, or Rectangular

3. Draw the same outline of your object in each box. Keep it simple. Use bold, black lines.

- Color in each box using a different color combination. Stay within your chosen palette type. Avoid shading.
